A Report on the English book distribution to M.Sc. students

**Details of the Programme**

**Date of event:** 10 February 2021

**Highlights of the programme:**

The PG Department of Chemistry organized an event to distribute the book 'The Creative Family' written by Daisaku Ikeda to the students of M.Sc. III semester students. This book will greatly help the students as far as the syllabus is concerned and also to improve the English literature knowledge. Mrs. Roopa Samant who teaches English for the M.Sc. Chemistry students was instrumental in getting this book. Dr. S.M. Deshpande welcomed the gathering. Mrs. Roopa Samant elaborated the book to the students. Principal Dr. Nagaraja D. Hegde addressed the students on the occasion.

**Three important Photographs of the event**
