A report on the talk by Dr. G.T. Chandrappa

Details of the Programme		
Title – Nanoscience and its technology		
Date - 12 February 2021		
No of Participants: 32		
Details of the Resource Person: Dr. G.T. Chandrappa, Retired Professor from Bangalore University		
Highlights of the programme: <p>A guest lecture for the students of Chemistry of M.Sc. I semester was organized on 12 February 2021 in association with the Science Association. The talk was arranged in ICT room. Dr. S.M. Deshpande, Head, Department of Chemistry welcomed the Resource person and introduced him to the audience. Dr. G.T. Chandrappa gave a complete insight of the development and the present scenario of Nanoscience and technology with the applications involved. He also spoke about his work on water purification using nanomaterials. The talk was quite informative for the students. Mr. Vinayak Bellad proposed vote of thanks.</p>
