Date(s) of event: 12.08.2019 to 16.08.2019

Level: Local

No of Participants: Staff :07

Students: 40

Highlights of the programme

In the year 2019, the heavy rains resulted in flooding of the rivers Krishna and Ghataprabha, affecting the life of lakhs of the people living in Gokak and Chikkodi Talukas of Belagavi district. The members of club collected funds and the essentials including packed food, medicine, clothes, biscuit packets, mineral water, juices, rice, sanitary napkins, tooth paste, mosquito coils etc. from the donors and distributed effectively to the needy people affected by the flooding. The relief work was carried out in the village Balobal near Gokak. Also the donation collected was used to buy mineral water bottles which were supplied to given to donation centers such as Mahaveer Bhavan and St. Anthony's Church. More than 500 families benefitted from the relief activity of the club.
