PART 'A'

The academic year started from 15 July 2010. Following are the IQAC members.

Chairman: Principal Madhuri M. Shanbhag

Coordinator: Prof. A. K. Mense

Sr. Admin. Officers: Prof. U. S. Arlimatti
Dr. P. T. Hanamgond

Members: Prof. K. M. Kotraswamy
Dr. N. D. Hegde
Dr.S.M.Deshpande
Prof. S. K. Hukkeri
Prof. B.M.Topinkatti
Prof. R.V.Jannu.
Prof. B. L. Majukar
Smt. Namita Samant (Librarian)
Shri M. J. Ternikar (Phy. Dir.)
Shri Arjun Kolkar (Off. Supdt.)
Shri.A.M.Samant (Fin.Supdt)

Management Members: Dr. M. R. Shanbhag
Shri Sudhir Shanbhag

The IQAC continued working as earlier and held extensive discussions to work out the below-detailed plan of action to promote, enhance and monitor the quality of the teaching-learning process and the pursuit of excellence. The planned measures are under three heads:

- A. Student-centered Activities,**
- B. Staff-oriented Activities, and**
- C. Up-gradation of Infrastructure**

A: Student-Centered Activities

1. **‘To start such new courses that will provide students with skills which are in demand and will improve their employability.’**

Action Taken:

The College has introduced the following courses:

- a) **PG Course “Master of Science (Organic Chemistry)”:**
The college has completed the first batch of PG Course “Master of Science (Organic Chemistry)” (earlier affiliated to Karnatak University, Dharwad.) The second batch with 24 students is ongoing. Now the course is affiliated to the new University “Rani Channamma University, Belagavi”.
- b) **PG Diploma Course in Computer Applications (PGDCA):**
The college had applied to the Karnatak University, Dharwad, for permission to start PG Diploma Course in Computer Applications (PGDCA). However, due to the change in affiliation from Karnatak University, Dharwad to Rani Channamma University, Belagavi, the proposal has been pending.
- e) The Language Department conducted the following courses:

A short course in **“Functional English”** for First Semester students was conducted by Mrs. Tarla Joshi.

Prof. U.S. Arlimatti, speaking at the inauguration of the course.

- f) **Hobby Center:** The Hobby Center, under the supervision of Prof (Mrs) M D Tarlekar, conducted a three-month certificate course in Bag-making, Flower-making, Knitting and Crochet work, etc. Also conducted a course in Personal Grooming, which was very popular with girl students.

Students learning to make diwali lamps; and self grooming techniques at the workshop

2. 'To make the College facilities more student-friendly and easily accessible.'

Action Taken:

- a) The college has continued with the "Student-Mentor" Programme whose purpose is to familiarize students with college facilities, reduce student-teacher barriers, and help connect students and the college. Depending upon their subject combinations, a batch of students were attached to a teacher who would act as a friend and guide to them.
- b) The college organized a NAAC-recommended One-day Orientation Programme (designed by CLHRD, Mangalore), for freshers (B.Sc. Part I students) on 10 August 2011. At the orientation programme the students were briefed about the facilities available in the college, and a workshop on how to achieve academic growth and personality development was held. On 11th Mr.Rahul Khanolkar, ex student and free lance environmentalist, guided the students to take/participate in the student projects.

- c) The College Library conducted a Ten-day Workshop for students on 'Using Library Resources Effectively' from 25 August to 8 September, 2010. On the last day the students were made to present their learning by making poster presentations.

Students at the workshop on 'Using library resources effectively'

- d) A Three-day Orientation Programme for B.Sc. Semester 6 students on "Employment & Entrepreneurship" was conducted on 15 - 16 April 2011. Lectures on various themes were arranged for the students along with assignments focusing on the main theme were conducted as per the brochure prepared by CLHRD, Mangalore. Shri. Vivek Samant, ex student and industrialist, Mumbai, was chief guest at the valedictory programme and addressed the students on "Employment & Entrepreneurship". Eventhough 16th April was holiday, students and staff attended this programme.
- e) Broadband Internet facility in the library is continued for free use by students and faculty for academic purposes.
- f) Founders Day celebration is arranged every year on 6 August, by inviting an eminent personality. Family members of the founders are also invited on this occasion.
- g) Donated books to top scoring students.

Donated books to bright students

3. To arrange adequate Placement Services:

Action taken:

The Placement Cell arranged campus recruitment events regularly whenever there was demand from the industries.

Career Guidance Cell cum Student Information and Grievance Cell provided information about job market conditions to interested students. Besides,

information regarding placements, advertisements for jobs and courses were informed by email to final year students and also displayed on Notice Boards for the benefit of students.

4. To strictly enforce Attendance norms:

Action taken:

Strict attendance norms for students were continued. Parents/guardians of students with deficient attendance during the first term were informed and called for discussions, due to which attendance increased in the second term.

5. To strengthen Alumni Association activities.

Action taken:

IQAC monitors activities of the Alumni association of the college. This year the Alumni association organized get together for 1970 B.Sc. batch. Some of the programmes such as crash course on functional English, workshop etc., were conducted with the financial support of the Alumni.

All departments have been requested to maintain the register of the outgoing students

Library workshop was sponsored by Alumni association; Some of the Alumni and industries provided tree guards for the trees in the campus.

B: Staff-Oriented Activities:

1. To encourage faculty to undertake higher studies and research-related activities:

Action taken: Faculty members were encouraged to pursue further studies and research activities like major/minor research projects and Ph.D programmes. Eligible faculty members were encouraged to apply for Faculty Improvement Programme (FIP) programme. As a result following faculty have achieved research degrees.

Research Degrees- Completed:

- 1) Prof H.B. Kolkar (Kannada Department) has been awarded Ph.D Degree under UGC Xth Plan FIP programme, by Karnatak University, Dharwad.

- 2) Prof C. B. Joshi (Department of Sanskrit) "Gangaavatarana: Vishesh Sahityak Adhyana", has been awarded Ph.D degree by Karnatak University, Dharwad.
- 3) Prof (Mrs) S. S. Kalgi (Department of Physics) has registered for a Ph.D Course (December 2007) with Shivaji University, Kolhapur. Topic: "Polymer assisted synthesis of tungsten oxide-nickel oxide thin films and their characterization for chromogenic devices" under the guidance of Dr. P. S. Patil, Thin Film Material Lab, Shivaji University, Kolhapur, under UGC FIP programme (At present she has been deputed to RLSc College, Belgaum).
- 4) Prof (Mrs) A R Kulkarni (Department of English) has registered for Ph D Course at Department of English, Karnatak University, Dharwad, under guidance of Dr Vijay Guttal; Topic: "Gender Perceptions in the fiction of Indian Women Writers of Diaspora", October 2008, under UGC FIP programme.
- 1) Prof Uma M Bhoje (Temporary Faculty, Department of Hindi) has been awarded M.Phil degree by Yashwantrao Chavan Maharashtra Open University, Nasik, for her dissertation, "Malati Joshiki Kahaniyon mein parivarik sambandh".

Research - Ongoing:

One faculty member is pursuing Ph.D course:

- 1) Prof U S Arlimatti (Department of English) is registered with Karnatak University, Dharwad, for Ph.D course in English.

Faculty Improvement Programme (FIP)

Two faculty members have been sanctioned leave by the UGC under Faculty Improvement Programme (FIP) to pursue research:

- 1) Prof (Mrs) S S Kalgi (Department of Physics)
- 2) Prof (Mrs) A R Kulkarni (Department of English)

Research Projects:

Completed: Two Major Projects sponsored by MoES & UGC (Project report writing under completion)

- a. "Dynamics of Malvan coast, Maharashtra, west coast, India", Ministry of Earth Sciences, Govt. of India, (MoES) Major Project, MoES/11-MRDF/1/17/P/07-PCIII. Date of start of project 1 February 2008.
- b. "Estuarine Dynamics of Kalavli, Kolamb and Karli Rivers, With Special Reference to their Impact on Malvan Coast, Sindhudurg District, Maharashtra, India", UGC Major Project, F.No.33-42/2007 (SR). Date of start of project: 1 April 2008.
- c. "Synthesis of Nitrogen and Sulphur Hetrocycles of Pharmocological interests", by Dr. R.G. Menon (MRP(S)-437/2006 (X Plan)/KAKA021/UGC-SWRO Dtd: 29 Dec.2005).
- d. "Minimal hyper surface", UGC Minor Research Project; by Dr. K.S.Naik, Department of Mathematics.

Ongoing:

2) One Major Research Projects

- a. Dr.S.G. Adoor, Dept. of Chemistry, has been awarded a Major Research Project by the Department of Science and Technology, New Delhi, "Designing of Novel Modified Polymeric Membranes for Pervaporation separation of Water/Organic mixtures" (SR/S1/PC-21/2009 dtd 20 April 2010).

3) One Minor Research Projects:

- a. "Silica Aerogels for Cleanup, Storage & Safe Disposal of Oil and other Organic Liquids – A Comparative Study" UGC ongoing project by Dr N D Hegde, Department of Physics.

1. To upgrade Faculty skills and resources:

Action taken:

- a. Faculty members are encouraged to undertake research.
Prof.U.S.Arlimatti Dept of English
Prof.Mrs.A.R.Kulkarni, Dept of English, Under FIP.
Prof.Mrs.Kalgi, Dept of Physics under FIP (presently redeployed at RLSc)
- b. Faculty members are encouraged to attend Seminars, Conferences, Workshops, etc. Some of our staff members have presented their research papers in national and international seminars, the details of which are mentioned their biodata.
- c. Broadband Internet connections were extended to all departments in the college.

C: Infrastructure Upgradation:

1. To upgrade facilities as and when necessary and possible.

Action taken:

- a) Construction of new Laboratory Building (estimated cost rupees 2.5 crores) One wing (Ground plus 2) has been completed. Where Physics, Chemistry (UG & PG) have been working. The second phase of construction is under progress.
- b) All the departments have been upgraded with various equipments and specimen through CPE and Development grants provided by UGC. Under this, each department has been provided a Laptop and each staff has been provided a 4GB pendrive. Few departments have been provided LCD projectors. The details of the equipment are provided at the end of the report.

PART 'B'

1. Activities reflecting the goals and objectives of the institution:

Our college has specific goals and objectives, which the teaching faculty strives to achieve through dedicated efforts in partnership with the students.

The goals and the objectives of G S S College are:

- a) To encourage young minds to embark on the exciting journey of learning and self-discovery.
- b) To instill a spirit of inquiry and love for learning and develop abilities of reasoning, analysis and assessment of all phenomena.
- c) To impart Science education at the degree level along with job-oriented certificate, diploma and post graduate diploma courses in certain disciplines.
- d) To inculcate a value system among students to develop humanism, reverence for the environment and all life forms along with respect for human rights, and
- e) To use the knowledge so gained as a tool of social change and the overall economic development of the nation in realizing the dream of a developed India.

GSS College activities are undertaken keeping the above goals and objectives in mind.

The college has adequate infrastructure and learning resources, yet constant effort is made to upgrade them whenever necessary and possible. Accordingly, the College organised several teaching-learning activities for our students, some of which are new while the others are mandated by University and Government regulations. This includes conducting field visits, study tours, tests and tutorials, seminars and guest lectures. The College has a Science Association, Alumni Association, Hobby Center, NCC and NSS units, Youth Red Cross, Placement Cell, Grievance & Redressal Cell etc. The Gymkhana Managing Committee of the college organizes the activities such as sports, debating, youth festival, college annual social gathering etc., (**Annexure II**), which strive to train and guide students in academics, sports, cultural activities (dance, music, public speaking) and other useful skills.

The college has continued with the services of Mrs. Ashwini Belgaumkar, a qualified, US trained psychologist as Student Counselor to help students cope with personal and psychological problems.

The Career Guidance Cell under the Chairmanship of Prof. U.S. Arlimatti, continues to work for the benefit of students.

The students' grievance cell under the Chairmanship of Prof. Mrs. S.S. Joshi, and Prof. B.M. Topinkatti continues to work for the benefit of students.

Details pertaining to such activities undertaken during the academic year 2010-2011 are reflected in Annexure II and the College Miscellany "Pratima".

2. New Academic Programmes Initiated:

GSS College is aware of the need of equipping students with multi-disciplinary learning and skills to enhance their employability. The PG Centre of Karnatak University, Dharwad based at Bhootram Hatti, Belgaum, is now accorded status of independent University “**Rani Channamma University, Belagavi**” from the academic year July 2010.

With this in mind the College has initiated action to start the following courses:

- a) **PG Courses:** last year the college had planned to apply for permission to start **Master of Science (Analytical Chemistry); M.Sc. in Nuclear Physics; and M.Sc. in Geology** PG Courses; and **PG Diploma Course in Computer Applications (PGDCA)**, however, as our affiliation has been shifted to the new University (Rani Channamma University, Belagavi), the proposals are pending.

3. Innovations in Curricular design and transaction:

Many of our staff members were deputed to attend BoS meetings conducted by the different Board of Studies’ of the new University; and majority of our department staff from Geology, Botany, Zoology, chemistry, Physics have put their efforts to prepare the new syllabii. Few of our staff members especially from Geology, Botany, Zoology & Chemistry) were Chairman of BoS for the syllabus preparation. The new syllabus came into force from the current academic year 2011-12 for B.Sc.I semester.

The Geology department has continued with the method of modeling some of the topics such as volcano, river, glacier, waterfalls, earthquake, flood management, and student projects etc.

4. Inter Disciplinary Programmes started:

The Karnatak University; and now the newly established Rani Channamma University has the sole authority to introduce new programmes and courses of study.

Department of Geology has started an innovative interdisciplinary programme, where in a bridge course “Khanija” has been initiated every year for the UG and PG students of department of Rasashastra and B.Kalpana of KLE’s BMK Ayurveda Mahavidyalaya. This year it was conducted on 23rd April 2011.

Geology Department staff inaugurating and conducting the Khanija workshop.

5. Examination Reforms Implemented:

The college follows Karnatak University, Dharwad (for Semester V - VI), and the new Rani Channamma University, Belagavi (Semesters I - IV) Examination regulations. We have been conducting regular and periodic tests and tutorials for degree students regularly. Enrichment lectures, student seminars, group discussions are the regular features of the student learning. Test examination (theory & practical) is conducted to prepare students for their final examinations as per the guidelines of both the Universities.

6. No. of Candidates Qualified for NET/SLET:

Nil

7. Initiative towards faculty development programme:

The college encourages the faculty members to enroll for research programmes, attend conferences/seminars/workshops. One faculty member has submitted his Ph. D. thesis through Faculty Improvement Programme. Currently, two faculty members have been deputed under the UGC Faculty Improvement Programme (FIP) to pursue research: Prof (Mrs) S S Kalgi (Department of Physics) and Prof (Mrs) A R Kulkarni (Department of English.)

Faculty members are encouraged to apply for Major and Minor research projects. Currently, One major and three minor research projects are ongoing. Proposals for two major projects and one minor project has been submitted for financial support.

Society employees (Temporary faculty members) are also encouraged to enroll for M.Phil and Ph.D courses and appear for NET/SLET tests as well.

8. Total number of Seminars and Workshops conducted: Three

1. A one day workshop "Carbon Foot Print Today & Earth Tomorrow", was conducted by G.S.S. College in association with Lokmanya Multipurpose co-operative Society, Belgaum and Cerana Foundation, Hyderabad on 5th March 2011. Ms. Chetna, Ms. Karnika & Ms. Vaishnavi, of Hyderabad conducted the workshop.

Prof.S.Y.Prabhu, Co-ordinator briefing on the theme of workshop; and guest speakers.

2. One Day workshop “Awareness about use of water among students” was organised jointly with Department of Mines and Geology Groundwater division, Belgaum, at GSS College, Belgaum on 9 Feb 2011.

Inauguration of workshop on “Awareness about Water”, by Shri.C.M.Sudi, Sr.Geologist Mines & Geology.

3. A bridge course Khanija-2011 was conducted on 23rd April 2011 by department of Geology for the UG and PG students of department of Rasashastra and B.Kalpana of KLE's BMK Ayurveda Mahavidyalaya.

Inauguration of the workshop at BMK Ayurveda Mahavidyalaya; and the practical session workshop with resource persons.

9. Research Projects:

a) Completed Projects:

Two Major research Projects have been completed (The preparation of final reports are under progress).

- i. “Estuarine Dynamics of Kalavli, Kolamb and Karli Rivers, With Special Reference to their Impact on Malvan Coast, Sindhudurg District, Maharashtra,

India”, UGC Major Project, F.No.33-42/2007 (SR). Under Dr.P.T.Hanamgond, Geology Department.

- ii. “Dynamics of Malvan coast, Maharashtra, west coast, India”, Ministry of Earth Sciences, Govt. of India, (MoES) Major Project, MoES/11-MRDF/1/17/P/07-PCIII. Under Dr.P.T.Hanamgond, Geology Department.

b) Ongoing Major Project:

“Designing of Novel Modified Polymeric Membranes for Pervaporation separation of Water/Organic mixtures” (SR/S1/PC-21/2009 20 April 2010); Major Research Project by DST, is sanctioned to Dr. S.G. Adoor, Dept. of Chemistry; Project cost: Rs.19.38 lakhs.

Three Minor Research Projects sanctioned by UGC are ongoing:

- i. “Synthesis of Nitrogen and Sulphur Hetrocycles of Pharmacological interests”, by Dr.R.G.Menon (MRP(S)-437/2006 (X Plan)/KAKA021/UGC-SWRO Dtd:29 Dec.2005).
- ii. Dr.K.S.Naik, Department of Mathematics, “Minimal hyper surface”, UGC Minor Research Project.
- iii. Dr N D Hegde (Department of Physics); Silica Aerogels for Cleanup, Storage & Safe Disposal of Oil and other Organic Liquids – A Comparative Study; Collaborator: Prof A.Venkateshwar Rao, Department of Physics, Shivaji University, Kolhapur, UGC Minor project.

10. Patents generated, if any: None

11. New collaborative Research Programmes:

1. Dr.P.T.Hanamgond, Department of Geology continued his collaboration with:
 - a) Dr. G.N.Nayak, Marine Science Department, Goa University, for beach processes and geochemistry of sediments.
 - b) Dr. S.V.Divekar, Department of Chemistry, Gogte Institute of Technology, Vishveswaraiah Technological University, Belgaum.
 - c) Dr. Jadar, Department of Rasashastra, KLE’s BMK Ayurveda Mahavidyalaya, Belgaum.
 - d) Dr.N.Basavaiah; and Mr.P.B.Gawali, Indian Institute of Geomagnetism, Mumbai.
 - e) Prof.S.G.More & Prof.M.K.Katti, SP Chowgule College, Madgaon, Goa.
2. Dr.N.D.Hegde, Department of Physics has collaboration with Prof A.Venkateshwar Rao, Department of Physics, Shivaji University, Kolhapur.

12. Research Grants received from various agencies:

Dr.S.G.Adoor, Chemistry Department has received Rs.16 lacs grant by DST.

13. Details of research scholars:

- i. Prof Pranav Pitre, (Lecturer in Chemistry) has joined Ph.D course “Water quality studies of River Kali (U.K) and its tributary Pandhari, Karnataka, India”,

under the guidance of Dr. S.V.Divekar, GIT, Belgaum. Dr. P.T. Hanamgond, Department of Geology, GSS College is a Co-guide.

- ii. Shri.V.Rajinikant, Project Fellow, DST Project, Dept of Chemistry.

14. Citation Index of faculty members and impact factor:

- i. Prof Madhuri Shanbhag's short story "Pritam" is selected for inclusion in Standard X Textbook for year 2009-2010 onwards of Maharashtra State Secondary Education Board, Pune.

All Departments conducted student assessment of teachers. The feedback was consolidated and the appropriate information was passed on to the concerned staff for appropriate action.

24. Feedback from the stake holders:

Feedback from students and parents are taken in writing. Based upon that, a evaluative report is prepared and circulated for the concerned for implementation. Feedback from Alumni is received during the periodic alumni meetings.

25. Unit cost of education:

Total number of students enrolled for B.Sc (Semesters 1 – 6) is **641**.

Total fee collected is **Rs.2681390=00**.

Hence unit cost of education is **Rs.4183=00**.

26. Computerisation of administration and the process of admissions and examination results, issue of certificates:

The administration of the college is fully computerized. Preparation of Salary–sheet of the staff, timetable chart, processing of admission forms and making a list of eligible candidates, allotment of examination work, declaration of results and issue of marks-cards etc., are computerized.

The college office has nine computers, and five printers, which are networked. Maintaining of Accounts and all accounting work is done on computers using “BRAIN” software. The Office, too in addition to Principal, has separate Internet connection.

27. Increase in the infrastructural facilities:

The college has received Rs.92.5 lacs from UGC- CPE and Development grants. All the departments have been upgraded with infrastructure and equipments as per their requirements. The list of equipments procured by departments is enclosed separately.

- a. 8 Laptops, 5 LCD projectors, 20 computers, have been installed at various departments.
- b. 745 new volumes were added to the Library.
- c. Internet Broadband connection exists in all Departments and Library
- d. Construction of new Laboratory Building (estimated cost Rupees 2.5 crores) first phase consisting of ground plus two is completed where Physics, Chemistry departments are working. Second phase of construction is under progress.

28. Technology Upgradation:

- a) Faculty members were encouraged to use Power Point and LCD facility, logging on to Internet, email, use of search engines, etc for their regular teaching.
- b) Central Audio Visual hall has been established (Room No.27; Society hall).

29. Computer and Internet access and training to teachers and students:

Computers have been provided in all the departments.

The Library is computerised. Students can use the computers to find the status of books, and search more information about the books/literature they need. The library staff has been trained in the use of computers.

Broadband Internet facility is available free in the Library for students and staff. In addition, Broadband Internet is connection is available in all departments.

30. Financial Aid to Students:

Financial aid to degree students has been extended to the tune of Rs.4,71,857. List enclosed separately (Annexure IV)

31. Activities and support from the Alumni Association:

The crash course on functional English for 3rd semester students, was conducted by Prof. Tarla Joshi of English dept that was sponsored by GSS alumni.

The certificate course on "Using Library Resources Effectively" for 3rd semester students was conducted by library, sponsored by GSS Alumni.

32. Activities and support from Parent-Teacher Association:

The college has continued the working of Student-Mentor programme. Each faculty member is allotted a batch of 20 students. The concerned faculty members meet the students to enquire and keep track of their academic activities and progress. The students are encouraged to take their college-related problems (and personal problems if any,) to the concerned staff. The mentors, whenever necessary, arrange meeting of the parents of the concerned students-group to discuss relevant matters.

33. Health Services:

- a) Youth Red Cross Wing of G.S.Sc. College and NSS units conducted blood donation camp.
- b) Dr.Sunita Ganpule, provides health services for students and staff.
- c) All new entrants to the college have to undergo a medical checkup, and this year, in association with the Indian Medical Association, Belgaum Chapter, the medical checkup was conducted during last week of March 2010.

Ladies Association - A Report

Ladies Association of our college began its activities this year (2010-2011) with its inaugural function held on 14.09.2010. The Chief-Guest Mrs. Nita Potdar, a well known advocate in Belgaum delivered a talk on 'Rights and Responsibilities of Women' on this occasion.

This year the Ladies Association introduced the girls to some novel programmes. In order to remind the students of our culture 'Hadga', a traditional event was organized in the month of September in which a large number of girl students and lady staff members participated. The students sang the traditional songs of Hadga and finally enjoyed the 'Khirapat'.

On the occasion of International Women's day we organized a power point presentation competition for the girls that witnessed a good response by the students.

Besides these programs, competitions in several events were conducted during the Ladies week from 25th to 31st of March 2011. The girl students participated with great enthusiasm in all events and enjoyed the dancing and singing events held on 31-3-2011. Events like treasure hunt, slow-cycling and cross-word & jumble were popular among the girls. A 'Dandiya' performed by the lady staff members was the special attraction of the 'Ladies day' held on 31-3-11, which got a huge round of applause.

The valedictory and the prize distribution function of Ladies Association was conducted on 31-3-2011 at 4.30 pm. Mrs. Anita Kanabargi, a well known investment consultant in Belgaum gave a power-point presentation on 'Financial Management' on this occasion. The objective of the talk was an awareness in students of the importance of timely and well planned investments for a secured future. Placement Cell Report 2010-11

Placement Cell's activities for 2010-2011 began with the college's Placement Officers attending the Training and Placement Officers' Meet organised by Wipro on 31 July 2010 in Belgaum.

The Cell would like to report that the job recruitment scenario during the earlier part of this year was not bright, though it has improved a bit after January 2011. Like in the previous years, the Placement Cell communicated with many leading companies and recruiters to arrange campus events in the college, but the response was lukewarm. The Cell, nonetheless, was able to be the nodal center for campus selection event of Wipro's prestigious 'learn-while-you-earn' WASE programme held on 17 February 2011. Eleven students from our College were selected. They are: Pavan Aptekar, Vinod Sataskar, Rahul Naik, Suhas Harale, Stella Lobo (all BSc), and Ankita Saple, Nivedita Torangatti, Shreyas Desai, Pranali Sawant, Nikita Maruche, Pooja Desai (all BCA).

The Cell regularly informed 6 Semester students by email about Campus Recruitment and Selection events planned in the College or at other venues in Belgaum and other nearby cities. This year it emailed information about such events held by Infosys BPO, TCS, HCL Technologies, Cognizant Technology Solutions, Wipro BPO, etc. Varsha Balekundri attended IGate Software Ltd's campus event at P C Jabin Science College, Hubli, on 7 March 2011, and was selected for a job offer.

The Cell helped Mantraa Research & Consultants Pvt Ltd, Pune, in conducting an industrial market survey. 7 students - Manjit Kulkarni, Neha Patil, Omkar Suryavamshi, Santosh Kagwade, Vardendra Kulkarni, Suhas Harale and Stella Lobo - conducted the survey.

Wipro BPO had scheduled a campus event in our college on 25 March 2011, which was postponed to a later date by the company for logistic reasons. Thermax Engineering, Pune, and SESA Goa have approached the Cell for dates, which will now have to be after the completion of University exams. The Placement Cell will continue to work towards arranging more campus recruitment events in the coming months and find placement for as many students as possible.

We thank our Principal, Prof. Madhuri Shanbhag, the college administration, staff and the SKE Society for their support and encouragement extended to the Placement Cell during this difficult year.

Hostel Report: 2010-11

We are pleased to present before the readers the Hostel report for the year 2010-11. As many as 56 girl students and 42 boy students were admitted to the R.P.D. /G.S.S. girls and boys hostels respectively. The hostel, like ever year, turned into a colourful bouquet of students, representing not only various parts the state of Karnataka but also various other states, languages, strata of society and courses right from pre-university to post-graduation. It took no time for the students to mingle with each other despite their heterogeneous social, cultural and educational backgrounds. A sincere effort was made to provide homely atmosphere to the inmates so as to enable them to overcome homesickness, as many of them were staying in the hostel for the first time, away from their parents. The conduct of the inmates has been very smooth and cooperative.

In view of the frequent power cuts during the summer season, inverter facility was provided for girls' hostel and very soon the same would be extended to the boys' hostel to enable the inmates to pursue their studies without any disruption. Apart from this, the students enjoy various other facilities such as mess facility at a reasonable rate, recreational facilities such as colour TV, news papers, magazines, sports and games equipments including carrom, chess, foot ball, volley ball, cricket, basket ball etc. Purified drinking water, hot water geyser, solar light at night, health care centre, gymnasium at concessional rate being other prominent facilities available for the inmates.

Hostel day and prize distribution function to mark the culmination of the yearlong activities of the hostel was held on 26th January 2011. Prof. S.B.Kulkarni, Director, G.S.B.C.A. College was the Chief Guest. Smt. Lata Kittur, Chairperson R.P.D.College Managing Committee was the Guest of Honour. Prizes were given away at the hands of the dignitaries to the winners of various sports, cultural and literary competitions organized through out the year. They included elocution, singing, dance, rangoli, carom, chess, kabaddi, volley ball, cricket, throw ball, musical chair, mehendi, and hairstyle.

We take this opportunity to thank all those who helped us to conduct the competitions. On behalf of the inmates of the hostel and on our personal behalf we thank. Sri. N.Ramkrishna, Physical Education Director .R.PD.College. Mrs. Smita Mangale, Mrs. Sharayu Bhusari, Mrs. Malavika Kalaghatgi, for being the adjudicators in various competitions.

We thank the Members of the Management of the S.K.E.Society for their help, guidance and encouragement. We are also thankful to all the Principals and Directors for their valuable suggestions and guidance.

Dr. Y.K. Prabhu Memorial Lecture Series

'Tatya alias Dr. Y.K. Prabhu Ajgaonkar Memorial Lecture Series' was instituted in September 2010 under the joint auspices of the Tarun Bharat Trust and the S.K.E. Society. Dr. Y.K. Prabhu was the founder member of the S.K.E. Society and was the man with whose persistent efforts the institutions of S.K.E. have reached the zenith of success.

Dr. Narandra Jadhav, member of Planning Commission and an eminent educationist inaugurated the lecture series with his impressive and enlightening talk on the existing education system and the expected future system of education. Dr. Jadhav skillfully and systematically touched upon all aspects of the system including the statistical data of the higher education and research. He brought the attention of the listeners to the Yashpal Committee Report and the National Knowledge Commission Report on higher education. Finally, Dr. Jadhav focused on the need of public private partnership in educational sector, and also most prominently the need of quality research by teachers in order to bring radical changes in the higher education system. He thus emphatically stated that 'there is a need to harness a demographic development through higher education and skills development'.

The lecture series will be conducted in the same month every year in the honour of our late doyen.
