ACADEMIC YEAR: 2019-20

Dear Colleagues,

Request you to please give your valuable inputs through the given questionnaire for the status of the current curriculum. Please rate your inputs for all the questions by ticking V on the given ratings.

Name of Teacher: Mrs. S. V. Kulkarni	Department:	Designation: Associate Professor		
Mobile No: 9945757220	Course & Subjects handled/handling:			
Email: sucheta@gssbgm.edu.in	B.Sc. (Physics)			
Your Observations on the current curriculum	Strongly Agree	Agree	Partially Agree	Not Sure
1. The curriculum is contemporary and need based		✓		
2. Objectives and the course outcomes of the syllabi are well defined and clear	✓			
3. The curriculum of the course is in accordance with the learning outcomes		✓		
4. The contents of the units prescribed in course is adequate to have significant learning outcomes		✓		
5. Curriculum is effective enough to develop innovative thinking			✓	
6. The curriculum provides good experiential learning and skill enhancement		✓		
7. Curriculum gives enough freedom to the Teacher to adopt new techniques and strategies of teaching, through seminars, presentations, group discussions and learners' participation etc.	✓			
8. Issues with respect to Professional Ethics, Gender, Moral Values and Environment are addressed in the program		✓		
9. Should the syllabus be revised once every 3 years!	✓			

10. Suggestions if any (in 2 sentences):

- * All academic activities must be student centric
- * more involvement of UG faculty in designing of curriculum.

We implemented chat bot for which we need to learn ML , Android, Python and some part of mongoDB

Suggestion: Relevance of curriculum in your job; if not, please specify the topics to be included in the syllabus which is relevant to your nature of job and also to the scope of program.

Most Tending programing language, Personal development and Aptitude questions

Suggestion: Improvements in teaching and learning process.

Every faculty at GSS BCA is Extremely Good in their own way .. Each faculty is not only concerned about the subject but also every individual, faculty analyse mind set and grasping power of each individual and train the students to over come the exam , IT fest and also job . At any single point if we have any doubt it will be addressed by our faculty and make sure our doubts are cleared. The faculty provide all the support for an individual to be successful in life.

Any other suggestions/Comments

The college environment is extremely homely feeling. Proud to complete my education at GSS BcA

Suggestions: Have you learned the basic concept through your project done during your course of study?

Yes. Projects helped us a lot to know what all inputs are necessary into making it a working and successful project.

Suggestion: Relevance of curriculum in your job; if not, please specify the topics to be included in the syllabus which is relevant to your nature of job and also to the scope of program.

Suggestion: Improvements in teaching and learning process.

Any other suggestions/Comments

More guidance is expected during the project creation. Many students don't understand what is exactly to be done and how it should be done.

Suggestions: Have you learned the basic concept through your project done during your course of study?

Yes, I did learn many practical concepts apart from what we learnt in laboratory practice through project.

The actual concepts of software development life cycle was understood and solved many challenges which we faced while doing the project

Suggestion: Relevance of curriculum in your job; if not, please specify the topics to be included in the syllabus which is relevant to your nature of job and also to the scope of program.

The subjects taught in BCA are of basic nature. The technical field is upgrading very fast and hence it is very necessary to adapt to that.

I agree that it is not possible to include all technologies as subjects but can be included as electives Concepts like Machine learning, Full stack development, Cloud computing, IOT, Virtual Reality should be tried to include atleast as a workshop

Concepts like version controll(GIT repository) should be encorporated

Suggestion: Improvements in teaching and learning process.

Assignment should be of more research oriented and presentation of work on stage should be tried to implement

Any other suggestions/Comments

Placement and training should work in getting more companies to campus than making arrangements for pool campus

Feedback on Curriculum by Teaching Faculty

ACADEMIC YEAR: 2019-20

Dear Colleagues,

Request you to please give your valuable inputs through the given questionnaire for the status of the current curriculum. Please rate your inputs for all the questions by ticking V on the given ratings.

Name of Teacher: Mrs. S. V. Kulkarni	Department:	Designation: Associate Professor		
Mobile No: 9945757220	Course & Subjects handled/handling:			
Email: sucheta@gssbgin.edu.in	B.Sc. (Physics)			
Your Observations on the current curriculum	Strongly Agree	Agree	Partially Agree	Not Sure
1. The curriculum is contemporary and need based		✓		
2. Objectives and the course outcomes of the syllabi are well defined and clear	✓			
3. The curriculum of the course is in accordance with the learning outcomes		✓		
4. The contents of the units prescribed in course is adequate to have significant learning outcomes		✓		
5. Curriculum is effective enough to develop innovative thinking			✓	
6. The curriculum provides good experiential learning and skill enhancement		✓		
7. Curriculum gives enough freedom to the Teacher to adopt new techniques and strategies of teaching, through seminars, presentations, group discussions and learners' participation etc.	✓			
8. Issues with respect to Professional Ethics, Gender, Moral Values and Environment are addressed in the program		✓		
9. Should the syllabus be revised once every 3 years!	✓			

10. Suggestions if any (in 2 sentences):

- * All academic activities must be student centric
- * more involvement of UG faculty in designing of curriculums.

IMPORTANT INFORMATION

Please go through the Rani Channamma University, Website <https://rcub.ac.in> and go to Academics and then to the CBCS Syllabus/Non CBCS Syllabus you have studied or your Son/Daughter is studying. Please give your valuable inputs in the following feedback format.

INFORMATION ENTERED HERE WILL HELP US IMPROVE THE CURRICULUM AND TEACHING

Use the following **SCHEME OF MARKING** while giving marks under first heading "Quality of the Syllabus" as per your opinion of the subject:

Excellent = 4	Good = 3	Satisfactory = 2	Inadequate = 1
----------------------	-----------------	-------------------------	-----------------------

Name of Subject (Tick): Physics Chemistry Mathematics Botany Zoology Geology Comp. Science

Quality of the Syllabus	Relevance of the curriculum in the current scenario	Any suggestions for addition or deletion in the syllabus giving justification for the same
4=excellent	Relevant to present scenario covering all the aspects of geology
